WE DEDICATE TO YOUTH. . .

This book is dedicated to youth with the hope that the goal which they seek will be inspired by a higher Power than that which a scientist could provide.

As youth moves, so shall the progress of the world.

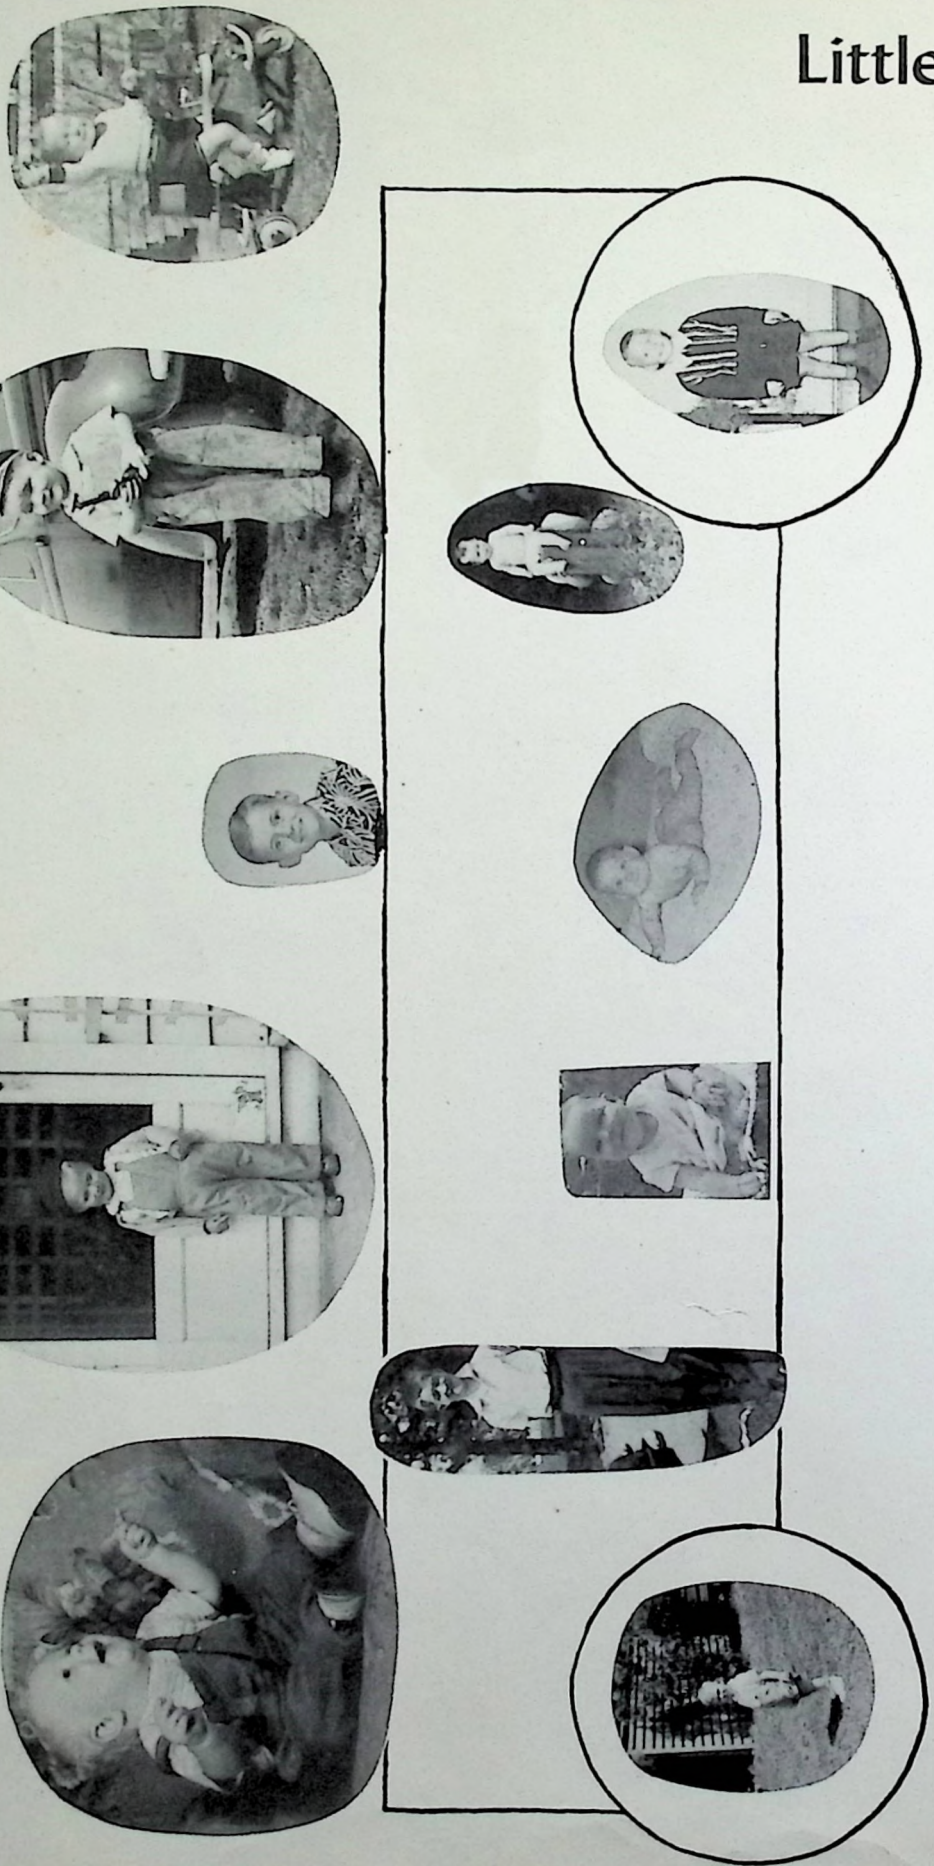
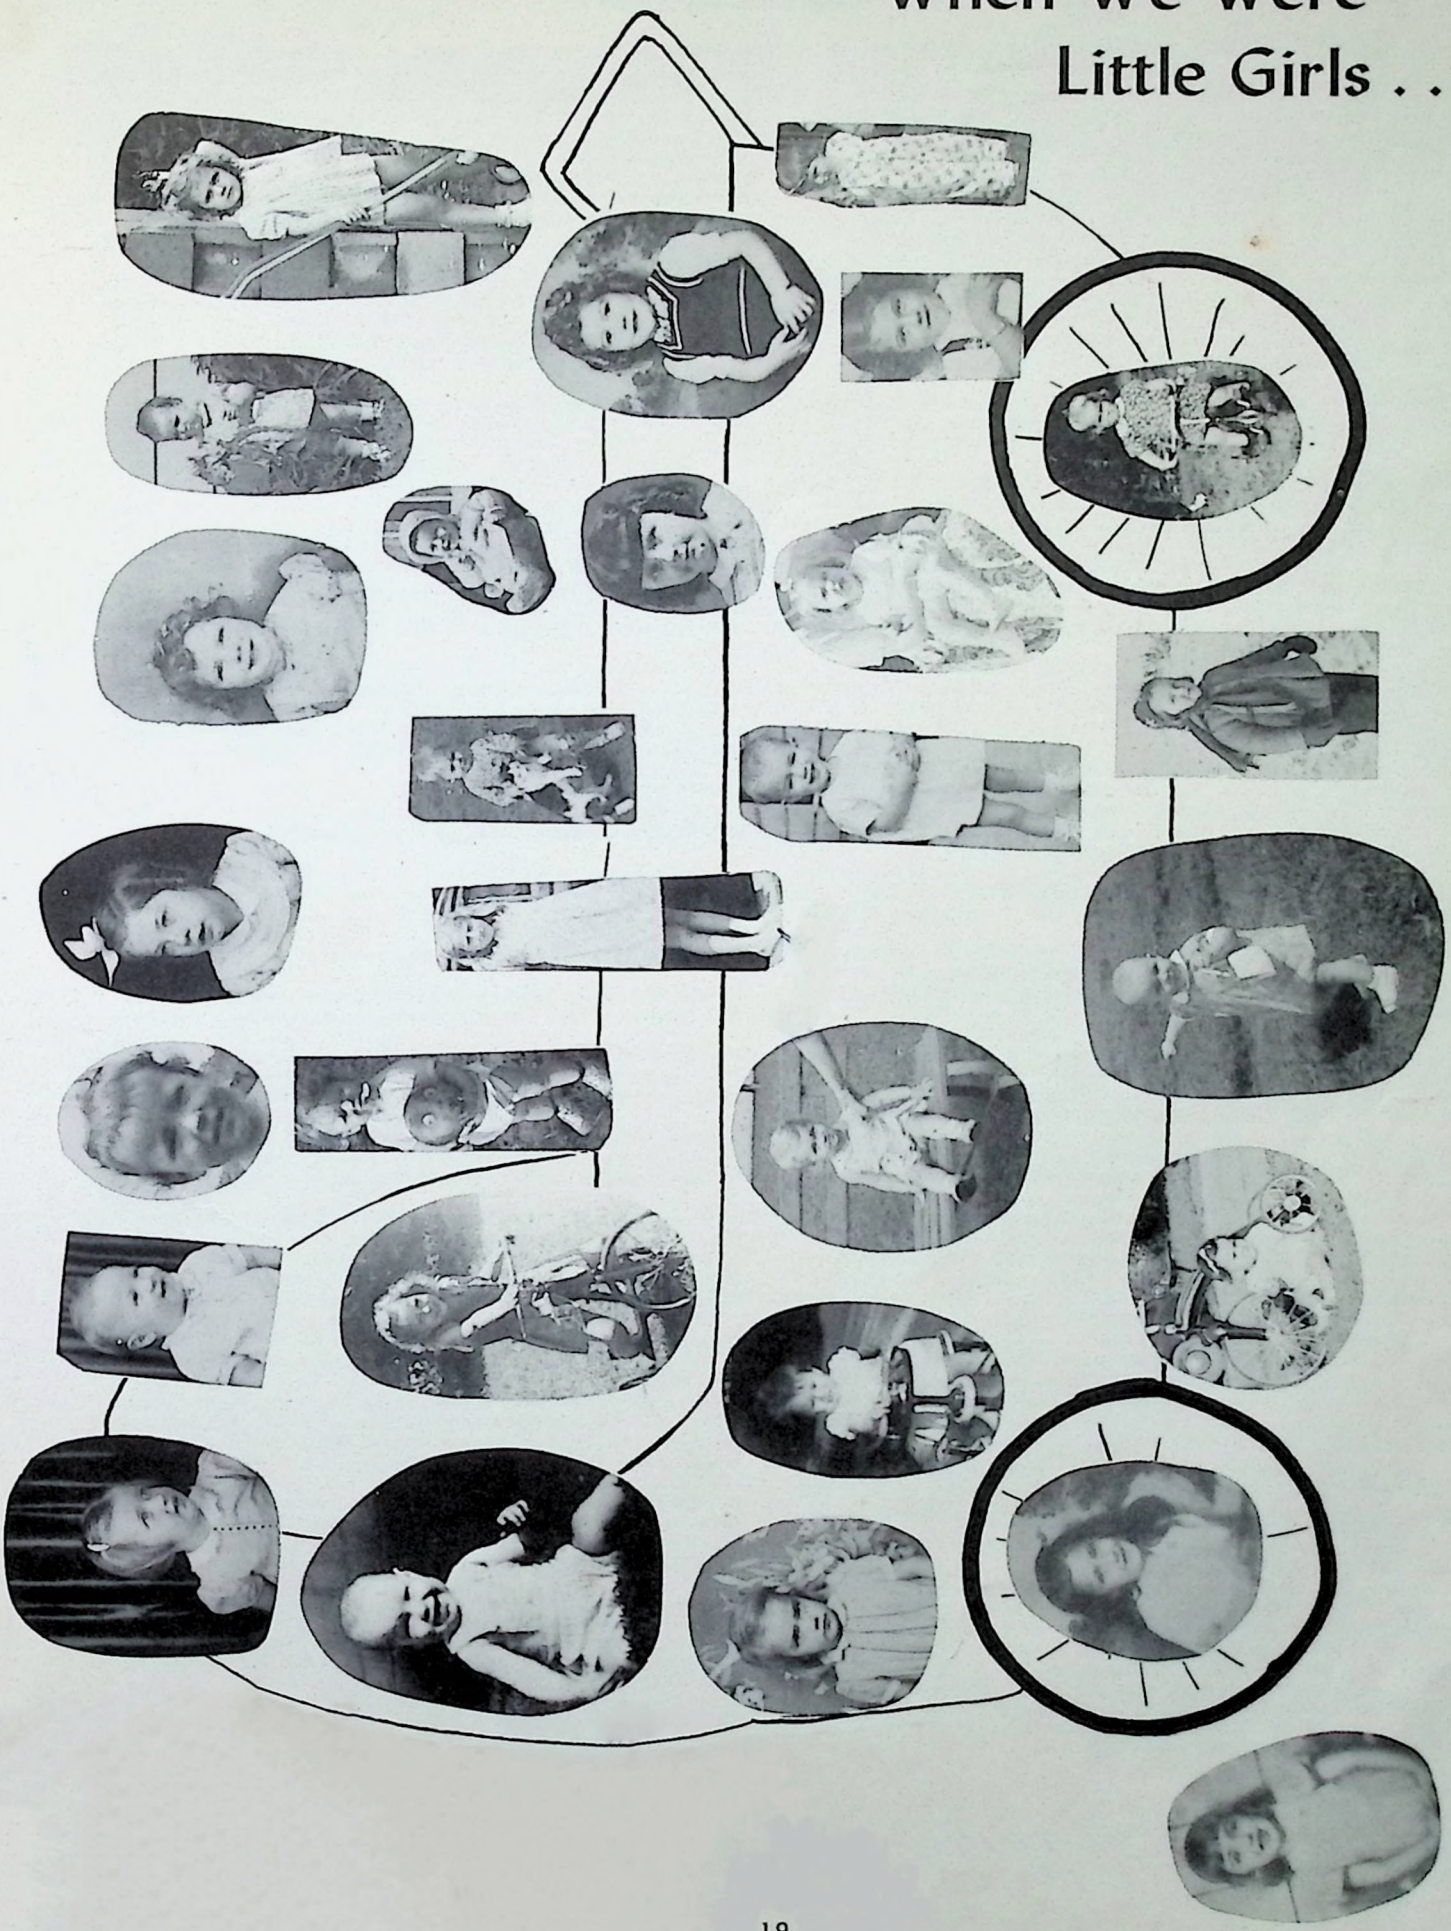
Class Song:

Good-bye, Elkhorn, time is fast departing,
Good-bye, Elkhorn, our new life is starting.
Tears and Parting may make us forlorn.
But with the dawn a new day is born.
Good-bye, Elkhorn, tho' we now will leave you,
Good-bye, Elkhorn, we will ne'er forget you.
History enfolds you.
The past now will hold you.
Good-bye, Elkhorn, Good-bye.

When We Were Little Boys . . .



When We Were Little Girls . . .



Our Predictions . . .

Some day ten or twenty years from now you might overhear this conversation . . .

Hello! How are you? I haven't seen you since we graduated. Just look around here. There's all the old gang. BILL PERKINS, the mayor, all the guys. Homecoming really brings them in, doesn't it?

The old Blue Bonnet looks the same as it did the last time I saw it. Nothing's changed. Few new flavors of ice cream, that's all. There's JOHN HOCKENSMITH outside selling milk, He owns the place now, you know. Who's he selling it to? Don't you recognize him? Yeah, I guess the years have wrought quite a change in him.

But then who wouldn't change? Especially with fifteen kids around the house. No mistaking him, though, that's GEORGE WHITE, coach of the Thoroughbreds. $100,000 a year!

I just came from the ballgame. You bet Franklin County won! Yep! Beat the Panthers hands down! Little JUNIOR BADGETT scored six touchdowns! In the first half, too! The coach took him out to rest after that.

I just got in from New York. Guess who I flew in with! GENE WAYNE ROBERTSON and LARRY LEE. Have their own air line. I knew something would come from that Air Force training. Boy I never had such a wild ride!

My gosh! Look who just came in! Good ole KENNY MILLER. Say did you know that he's Franklin County Coroner and has his own funeral home, plus a statewide chain of dime stores. My he's changed a lot hasn't he?

Do you remember ahh whats-his-name, you know, Conway, DAVID CONWAY. Yeah he's grown another beard. It seems that his wife left him because of it too. Can't much blame her. Just up and took the kids, the furniture, the "Black Rat," and everything. Left him lock, stock, and barrel.

You know how he was, though. Big Head, that's what was wrong with him. Just because he played pro football and finally bought his own team, he gets the Big Head.

Speaking of sports, what do you think about JOE "The Monk" BARBER pitching two no hitters in the Series? Quite a ball player, that Monk. I can remember when he was in the Little Leagues.

I read in the paper the other day that Professor PAUL GOODING successfully launched a satellite. With a dog in it no less. You remember his canine friend, George, don't you? Well, old George is circling the earth once every twenty-four hours.

I was in Washington the other day covering that record filibusterer. I didn't recognize the name at first, but then I should have known that SENATOR ROUSH was the same one that use to argue with Miss McCoy so much.

I wish they would turn off that dratted jukebox! It's so darned loud. All they play anymore are those awful rock and roll records by DANNY GOINS and "His Mob." Listen to that drum. UH! Sounds like a machine gun.

What's this I hear about JAMES FECK and DON HUDSPETH getting sent up for bootlegging? Who caught them? The BROWN brothers! They're revenuers?

It's funny how you lose track of your old buddies. Take me, for instance, I was out and gone as soon as I could get away. I sorta wish now that I had stayed in Frankfort. Now you take NITA LEWIS. She's got it made. Security, that's the main thing. What could be more secure than being typing teacher over at the High School?

And McMANIS. Stayed right at home and now he is one of the richest men in this part of the country. He bought up all the filling stations for miles around. Sure has got it made.

One guy I wouldn't want to be, though. That's JOHN DUVALL. Remember how he was always mixed up in everything that was going on? I mean to tell you he's really mixed up now. As Secretary of State, he is sure in a mess, trying to keep Europe straightened out.

The first thing that happened to me when I got into Frankfort, well, you'd never guess in a million years. I got picked up by the cops. Some smart aleck cop in an old blue jeep. Great big bruiser. I was scared to get smart with him. Anyhow this cop picks me up for disturbing the peace. All I did was yell across the street at Bill McQueen. How was I to know that he was deaf? How was I to know?

This cop hauls me into court, and who do you think the judge was? You're right, it was JOHN THOMPSON. Well we got to talking about old times and all that, and POW!!! THIRTY FIVE DOLLARS AND COSTS!!!

So I just went down the street to this lawyer fellow, Bender, and boy, did I lay it on the line! I'll take this to the Supreme Court. When I get through with them, they won't know what hit them!

Say, before I go, how about a round of golf Saturday? BOB HUTCHERSON, manager of Berry Hill invited me up. Have you seen that new swimming pool up there? Judy designed it. Man, you never saw a pool. I mean it just don't quit.

I guess I'll have to go now. The old lady's blowing the horn. I'll see you Saturday then. Okay. Say do you think Hurd'll make the Olympics again? Three times in a row, I don't know. Well, I'll see you, Mr. Connelly.

CLASS HISTORY

In the fall of 1954, one hundred and twenty some odd, wide eyed freshmen entered the halls of Elkhorn. Having been reinforced by the graduate eighth grade of Thornhill, these green specimens were hard to hold. Hard to hold until that faithful day, that is.

On that dark day the unmerciful Sophomore Class swooped down on our unfortunate heros with all the viciousness of Geronimo and his band. At three o'clock that afternoon a group of battle-fatigued survivors traipsed home, weary but with a feeling of belonging.

Not long afterward that class elected Joe Barber as president and was well on its merry way, under the leadership of Miss Glenna Smith and Mrs. Ann Payne.

Before anyone realized it Sophomore year had started. Whew! Made it! No longer was this class to be shamed by that malicious word, GREEN. Now it was their turn. With a great deal of satisfaction they put the Freshman Class through the rigorous exercises of Initiation.

After taking care of the Freshmen, the class settled down to making a name for itself. Before very long everyone was aware of the fact that the Sophomore Class was full of potential leaders in athletics, music, drama, scholarship, and plain hard work.

The class elected as its president that year Harry Hurd, who worked along with Mrs. Sarah Parker, Mrs. Alice Strange, and Miss Shirley Hensley in order to make the year a success.

Now it was time to really settle down. Junior year. With very much seriousness about them the Class of '58 set about to take and to fill successfully its share of the prominent places in activities of the school.

They were instrumental in organizing a Beta Club, a Spanish Club, and a Thespian Troupe. Also they provided the first editor for the newly organized school newspaper, The E-Hi Chatter. In athletics they took top honors, as they moved into vacant places on the various teams.

Harry Hurd was elected president once again and set about in his usual way to help Mrs. Weddington, Mr. Fitzgerald, Mr. Anderson, and Miss Hazel Arnold keep the class in line. Really, though, he didn't have much trouble because this class realized its importance and duty to the school and to the world.

Then all of a sudden it happened! They were SENIORS! At last they could breath, almost. Their numbers had been whittled down to about seventy as they entered their last year on September 3, 1957.

Into their hands fell the entire responsibility for the success or failure of the school year. In their usual sincere and business like way they set about to do the best job possible. Now their leadership shined. From their ranks came the team captains, the club presidents, the Student Council president, and countless other officers and leaders for the school.

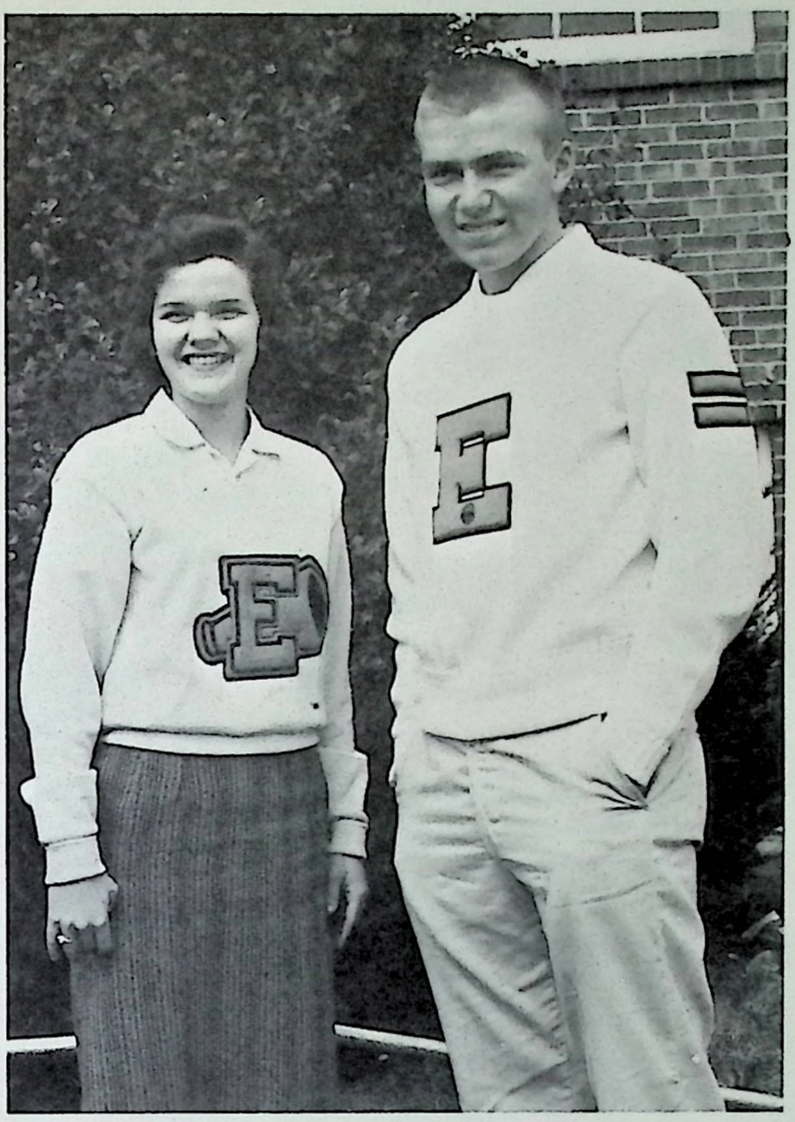
With Harry Hurd, once again holding the reins in check along with Miss McCoy and Mrs. Colvin, the class closed out its secondary schooling with a bang.

Now the journey has been completed. With it the era of Elkhorn High School passed into history. The Class of 1958, the last graduating class of Elkhorn High School trusts that they have done their part toward making Elkhorn the very finest school anywhere. Though that class leaves regretfully, it feels that it has left a fine example for any other class to set as a goal
WASHINGTON, HERE WE COME!!

Presenting . . .

Presenting Mr. and Miss Elk! Joe McManis and Linda Coffman were elected by the student body as Mr. and Miss Elk. They represent the student body's idea of the perfect high school boy and girl.

Both were among the most popular members of the Senior Class and of the entire school. There is actually no reason to say this because their election speaks for this fact in itself. Two better representatives couldn't have been picked.



In Explanation . . .

In laying out this yearbook, we of the 1958 annual staff performed the operation a little differently than has been the practice in the past. Instead of merely arranging the clubs, teams, and organizations at random, we made a calendar of events of the school year and let that serve as our table of contents.

As each club or team came into the spotlight of prominence, we put it in it's respective place according to the time of the year. For instance, in sports we started with the football team as that sport was in season in the fall. Using this method we have put together a story of the complete school year from September to May.

These seven little lassies have done a wonderful job leading the Elkhorn cheering section this year. They introduced many new yells to the student body as well as songs. Decked out in their white and gold uniforms, they have performed many beautiful formations on the football field and basketball floor under the direction of Mrs. Glass.

The Pep Club did the best job ever this year, starting with the football games and continuing on through to the end of school. At the outset David "Pokey" Conway was elected as president; Harry Hurd, first vice president; Joyce Gordon, second vice president; Susan Carter, secretary; Charlene Kitson, treasurer; and of course, Mrs. Weddington was sponsor.

The club marked off cheering sections at the ball games, sponsored parties after the games, and had a "come-as-you-are" Christmas Party.

Their crowning glory came late in the basketball season, the District Tournament to be exact, when they appeared in full force wearing their brand new maroon and gold beanies and armed with maroon and gold shakers.

The Eleven Plus!

Playing the most rugged schedule in its gridiron history, this 1957-58 version of Tommy Griffin's Elks amassed a very respectable 6-3 record. These lads, pictured above, fought every minute of the 432 played this year; and, in doing so, climaxed successfully an eight year football history at the East Frankfort school.

Throughout the entire campaign our boys were plagued with injuries or the flu, but almost miraculously managed to conquer seemingly insurmountable obstacles.

With a bumper crop of seniors graduating, Coach Griffin sees a tremendous rebuilding job ahead for next year; but with the talent on hand and new material coming we feel sure that Mr. Griffin will have another fine season next year.

And Now We Crown You . . .

This is Miss Linda Coffman, Homecoming Queen for 1957-58. Linda was elected by the football team to this honor and you must admit that she looks every inch a queen. As Football or Homecoming Queen, she represents the best season and best team Elkhorn has ever had.

Our Last Homecoming

Our Homecoming Parade was the biggest and best yet. There were many beautiful floats representing the various organizations of the school.

After the "Big Game" excited students rushed home to make ready for the gala Homecoming Dance. The theme, "Hawaiian Islands" was stressed by the palm leaves and beautiful flowers strewn over the gym. The highlight of the dance was the crowning of our Queen, Miss Linda Coffman, by the co-captains of our Football team - Billy Cox and David Conway.

The Elks' Horns

For many years now the Livingston-led youngsters who compose the Elkhorn Band have been recognized as one of the top music making organizations in the Commonweatlh. Last year they were one of two bands to be awarded the coveted Superior rating at the State Contest.

Once again this year they have been invited to the colorful Mountain Laurel Festival held in Pineville each May.

These talented tooters present three or four concerts during the school year, and each has proven to be especially delightful. Mr. Livingston selects a wide variety of music for his students to play. Often are the works of the classics heard coming from the band room, as well as the latest popular tunes and snappy marches.

The activities of the 80 plus are not confined here at Elkhorn. Many of them are in dance bands, orchestras, and other organizations.

In representing the entire student body, the Student Council this year proved to be a most active body - full of ideas, suggestions, and recommendations many of which were not visibly or readily realized by the student body, since some of the Council's business was of a confidential nature.

The sponsoring of weekly assemblies, student day, student directory, and a workshop to help student relations and to aid the Board in planning for the new school were among the many activities of the Council.

With at least one student representing each homeroom, the Council was able to maintain much better relations and contact with each student.

The Council wishes to express most sincere gratitude for the wonderful guidance and leadership displayed by Mrs. Hutchinson and Mr. Griffin, its sponsors.

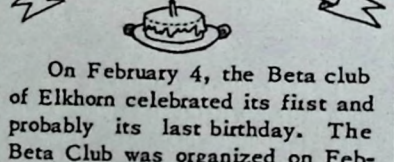
eautiful
nd white heart. This
rovided the background for the crowning of the Valentine KING and QUEEN of 1958.

The crowning, as usual, was the high point of the evening. From all evidence it is hard to tell which had worked the hardest for the crown. The penny-a-vote contest was one of the most campaigned for we have ever had. Each of the finalist, both boys and girls, walked onto the stage. All the candidates, who were beautifully dressed by the way, assembled onto the the risers waiting tensely for THAT MOMENT. At the designated point of the evening, GEORGANN HAMRICK and DON MAHONEY, were crowned the Valentine King and Queen of 1958.



On February 4, the Beta club of Elkhorn celebrated its first and probably its last birthday. The Beta Club was organized on February 4, 1957, with 40 charter members, 20 of which are still members.

It is reported that the Beta Club will be one of the first authorized clubs in the new consolidated school; and on its shoulders will fall much of the responsibility of harmonizing the different interests there.

During their year of service here, the Betas have shown themselves exactly to be what they are supposed to be; the leaders. Happy Birthday! And Keep up the good work.

NEW EDITORS CHOSEN

On Tuesday night, January 21, the Beta met and elected its editors for next year. Chosen were David Banks and Kiki Rooks.

At the same meeting Tommy Luscher, Tommy Crittenden, and Guy Reeve were selected as the new sports editors to try to pep up the lagging sports interest in the "Chatter."

Future Teachers?

A future teachers' program has been initiated here by the Board of Education in order to pave the way for a larger scale program to be started next year in the consolidated high school.

Mrs. Payne is in charge of assigning the interested members of the Beta Club to their respective.

Participants are Lenore Newland, Judy Bills, Brenda Snelling, Linda Coffman, Betty Ann Luscher, Linda Thurman, and David Blakeman. Their subjects include spelling, reading and various types of history.

As these student teachers experiment with the elementary grades and the elementary grades with them, a satisfying goal is being reached in that both parties gain a great lesson in life from it.

. . . And, Furthermore . . .

Let it be said by every man that the Elkhorn Speech Department was one of the state's best, for these long winded Demosthanes shined in all phases of speech and drama.
The Elkhorn debate team, after six hot rounds of debating, won the coveted right to represent the region in the State Debate Tournament which rolls around in April of every year. These students of Foreign Aid, World Affairs, and the various other elements of debate were the only team at the regional meet to be given a perfect score.
In dramatics, these junior Barrymores displayed their talents in several comedies and tragedies produced during the school year. The climax to all their work came when they were rated superior for their performance of "Balcony Scene" at the regional contest and carried off the laurels for second best in the state contest, a precedent for Elkhorn Drama. Both before and after the contest, the players presented their play to all the schools in the Franklin County area for their evident enjoyment.
In the regular speech activities, our orators were consistently at the head of the list. The Voice of Democracy and various other public speaking contests were participated in by these descendants of William Jennings Bryan. In activities such as Radio Speaking, Extemporaneous, Poetry, Humorous, Dramatic, Oratorical, and Editorial the Elkhorn speakers copped six superior ratings and fourteen excellents at the regional.
With state contest the prime factor of consideration, Mrs. Weddington and her entire group are someting to be proud of.

Elkhorn Thespian Troupe 1757 is one of more than two thousand such local organizations across the United States who make up the most highly regarded honor society for students of speech, drama, and debate.

Our Troupe has been in existence two years, and its membership consists of some of the state's best performers in the field of speech.

Members of this select group have presented several plays in the past two years, and their Balcony Scene was rated second in the state this year.

Each spring the Thespians have an honor banquet in which new members are brought in and awards are presented.

Its sponsor, Mrs. Weddington, very capably has brought her dramatists into prominence both in the state and here in Frankfort.

Homecoming Float—2nd Prize

What We Did . . .

The FHA carried out many successful activities this year. Among these were having a float in the homecoming parade which won second place and sponsoring a style show. The most successful project of FHA this year was, without a doubt, the annual Sweetheart Dance. The five candidates for this title annually bestowed on a senior boy by the FHA were Joe McManis, Robert Bender, Joe Barber, David Conway, and Kenny Miller. Barbara Anglin, President and Georgann Hamrick, Vice President crowned Robert Bender the FHA Sweetheart of 1958. Thus ends the most successful year for the Future Homemakers of America at E.H.S.

The purpose of the Spanish Club is to promote better understanding of Spanish-speaking peoples in the world. At some of the parties the members are served Spanish food and enjoy breaking the pinata. The initiation of the members was quite an experience for all. The members were dressed comically and taken through a supposed spook house, where they were fed delicious food???? Some of the Spanish Club's activities included the entering of a float in the Homecoming parade, which won first prize, and also in the Christmas parade which took third prize. The chief goal and one of the main highlights of the year is the sponsoring of the Senior Prom by the Spanish Club.

After losing three seniors off last year's starting five that won 11 and lost that same number, Coach Logan had the task of finding a winning combination for this year. As the season progressed, so did the Elks. Even though they were bothered somewhat by sickness and the various other obstacles that confront a team, our heroes managed to come up with a very respectable 16-8 mark in addition to winning the Versailles Invitational Tournament. For their endeavors they were named the Team of the Week in the Courier Journal one week in February.

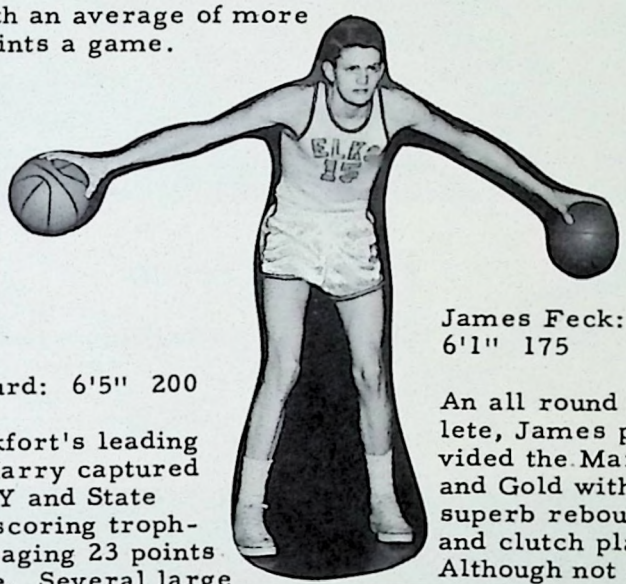
Joe McManis: 6'1" 172

Joe's driving shots and jump shots from his left forward position produced more than ten points a game this year. Joe's consistent play was always evident.

Joe Barber: 6'1" 170

As captain this year Joe proved himself a good leader. Playing guard and forward he finished the season with an average of more than 12 points a game.



Harry Hurd: 6'5" 200

As Frankfort's leading scorer Harry captured the WFKY and State Journal scoring trophies, averaging 23 points per game. Several large schools throughout the country were seeking his services, but in March he signed a four year Grant In Aid with U. of K.

James Feck: 6'1" 175

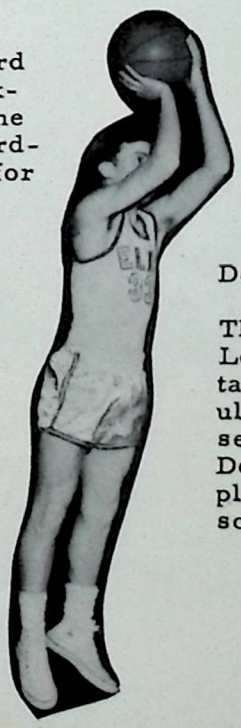
An all round athlete, James provided the Maroon and Gold with a superb rebounder and clutch player. Although not a starter all the time, James saw more than his share of action this year.

Johnny Vickers: 6'5" 170

Big John, in playing forward and center, got valuable experience that will enable the two year veteran of the hardwood to be a top prospect for next season.

Ronnie Cunningham: 5'9" 150

This year's floor general, Ronnie excelled in defense and in setting up his team mates, with one of the finest ball handlers and smartest "little men" in Kentucky basketball.



Don Heilman: 5'9" 150

This hustling transfer from Louisville Atherton established himself as a regular midway through the season. A clever guard, Don is expected to supply plenty of talent for the new school next year.

Hearts 'n Flowers

The night of February 14 was one of the most exciting and beautiful ones at Elkhorn High.

The gymnasium was all 'dressed up in red and white --traditional Valentine Day colors. At the back of the gym, the wall was adorned with a huge red heart centered with "Cupid." Red and white streamers created the "just right" atmosphere for the occasion. Risers were provided for the KING and QUEEN and their court. Extending from the ceiling was a beautiful gigantic red and white heart. This provided the background for the crowning of the Valentine KING and QUEEN of 1958.

The crowning, as usual, was the high point of the evening. From all evidence it is hard to tell which had worked the hardest for the crown. The penny-a-vote contest was one of the most campaigned for we have ever had. Each of the finalists, both boys and girls, walked onto the stage. All the candidates, who were beautifully dressed by the way, assembled onto the risers waiting tensely for THAT MOMENT. At the designated point of the evening, GEORGANN HAMRICK and DON MAHONEY, were crowned the Valentine King and Queen of 1958.

Heroes of Elkhorn

The annual staff began its work with the election of the editor. Without too much dissention John Duvall was chosen as editor and work got under way.

The staff met with Mr. D. T. Davis to choose the color, type of paper, and design for the yearbook. After choosing these it became apparent that in order to publish an annual a considerable amount of funds would be necessary.

With this object in mind, several of the staff members toured our fair city selling ads for the book. When the day was over and all the money was counted, about five hundred dollars had assured publication.

Then the "dummy" was laid out and the real work began. The first thing to be done was the selling of subscriptions. Sue Lynn Hankins was in charge of this phase of the operation.

An assembly program was arranged to "kick off" the sales campaign. The program was a mock trial in which several of our students impersonated teachers who were the defendants. As a whole the program was a great success and at the end of the week all the subscriptions had been purchased.

Next in line was the planning of pages, taking, finding, and cutting and placing of pictures. Each picture had to be trimmed just so and pasted exactly where the "dummy" called for it.

Such expressions as "Get that glue out of my hair!" and "Who gets the pictures that are left over?" were heard emerging from the ultra secret operations in Mrs. W.'s room.

February 28 was the deadline and eventually it came and went. "Whahoppen?" Finally after much "blood, sweat, and tears" the finished product was put in the mail on March 29, after which the entire staff retired to the "Blue Bonnet" for a celebration feast. Whew!
